

Constitution for the RoboJackets at Georgia Tech

Created 1999

Revised 04/08/2021

Preamble

The RoboJackets competitive robotics club will be one that designs robots with the intent of taking part in various national and international competitions. The purpose of the club is to promote robotics in the Georgia Tech community and to help students learn valuable skills associated with building robots. As a byproduct of taking part in competitions, Georgia Tech will benefit by becoming more familiar to the people in the robotics community.

Article I - Name

This organization will be known as RoboJackets at Georgia Tech, hereafter referred to as RoboJackets.

Article II - Purpose

The purpose of the RoboJackets is to:

- A. Compete in robotics competitions.
- B. Promote robotics in the Georgia Tech community.
- C. Promote Georgia Tech in the robotics community.
- D. Give students an added outlet for obtaining skills vital to their education.
- E. Add value to the surrounding community by way of community projects involving robotics.

Article III - Membership

- A. Eligibility for membership in RoboJackets is extended to all Georgia Tech students who meet eligibility requirements for participation in extracurricular activities as stated in the GT Catalog and SGA policies. Only active Georgia Tech student members in good academic standing can vote or hold office.
- B. Active membership is defined as attending at least one (1) general meeting per semester and attending at least fifty (50) percent of the meetings of one (1) or more project teams.

- C. An Associate Member, which may be a non-student, GT faculty, staff, or alumnus, must have their membership approved by $\frac{2}{3}$ of the officers.
- D. A limit on the maximum number of members will not be set.
- E. Membership will take effect when an interested person pays dues for the semester.

Article IV - Officers

Section 1. According to the GT Catalog, students can only run for, and hold office if they are in good standing with the Institute (academically and non-academically). RoboJackets will further require Officers and officer candidates to be students that have been members of the organization for at least one (1) semester of active membership.

Section 2. An Executive Board comprised of Officers will govern the activities of the organization, and the specific duties of the Officers will be as follows:

- A. President: The President will have general supervision of the affairs of the RoboJackets and will preside at meetings. The President will approve projects for the organization to be involved in, actively seek projects for the organization, and act as a liaison for companies that wish to support the club.
- B. Vice President: The Vice President will be the junior executive officer and will act on the behalf of the President in the event of their absence. The Vice President will work with project managers to ensure projects are executed as planned, and assist in presidential duties.
- C. Treasurer: The Treasurer will be responsible for keeping accurate records of the incoming and outgoing expenses from the organization's accounts, and for creating financial reports that detail the organization's budget for active and potential sponsors. The treasurer will have final authority to approve all orders.
- D. Secretary: The Secretary will be responsible for tracking membership, taking meeting attendance for non-project specific meetings, and keeping meeting minutes for officer meetings.
- E. Shop Manager: The Shop Manager will be responsible for ensuring cleanliness and organization within the shop and will submit requests for shop consumables and capital expenditures to the Treasurer as necessary.
- F. Promotions Chair: The Promotions Chair will organize promotions of the RoboJackets in the Georgia Tech community, organize programs that involving helping the surrounding community, and be responsible

for creating the guidelines for groups attending competitions to best promote Georgia Tech in the robotics community.

- G. Project Managers: The Project Managers will be voted on by the project team members and subject to the approval of the President. They will be responsible for organizing the organization's members that choose to participate in their project. They will prepare budgets to be submitted to the Treasurer for their project and will meet with the aforementioned officers of the organization when requested.

The officers of the RoboJackets shall have the power to create or destroy positions of office as is necessary to run an efficient club.

Article V - Officer Elections

Officers will be selected whenever a position needs to be filled or a new position is created. Officer candidates must meet the requirements established in Article IV, Section 1. Elections will be conducted as follows:

- A. All organization members must be notified at least one (1) week in advance of the start of acceptance of nominations for a new officer.
- B. Elections will be held no later than one month before the start of finals.
- C. Nominations will be made in a club-wide advertised meeting or through an online nominations form.
- D. Nominated candidates will give a short presentation detailing why they wish to hold the position in question, why they are qualified for the position, and how they would fulfill the requirements of the position.
- E. The candidates will leave the room for private discussion by the present club members. The highest ranking officer will organize the private discussions by recognizing those members who wish to be heard.
- F. After a motion to vote is called and seconded, the present members will each cast one vote for the position being voted on.
- G. The candidate receiving a plurality of votes will be elected to the officer position. In the case of a tie vote, the highest ranking officer present will cast the deciding vote.
- H. New officers take office at the last meeting of the spring semester and remain in office until the next election.
- I. If a position remains unfilled after the elections process, the President will appoint a member to the position or reassign duties to another officer.

Article VI - Officer Removal

- A. If an officer fails to maintain Institute requirements as stated in the

- GT Catalog and Article 4 Section 1, they shall resign immediately.
- B. An officer can be removed from office by $\frac{2}{3}$ vote of the full membership of the club or executive board.
 - C. The meeting for the removal of an officer is called for by a majority vote when quorum is present.
 - D. The meeting for the removal of an officer must be announced no less than one week in advance.
 - E. The officer pending removal will be allowed to speak to defend their actions.
 - F. The remaining leadership must make a good faith effort to contact the officer and schedule the meeting so that they can attend if desired.
 - G. If an officer is removed, their removal is immediate. Upon removal, a special election will be held following the rules established for yearly elections in Article V.
 - H. If the highest level officer(s) are removed, the next highest officer will assume interim responsibility until the special election is concluded.

Article VII - Committees

Committees may be created as necessary by the President for specific events and projects not to last longer than the current officer term.

- A. Each committee will have a chair, as appointed by the President.
- B. Any member or officer may be selected as a committee chair.
- C. Any number of members may be on a committee.

Article VIII - Advisor

- A. A full-time salaried GT faculty or staff member will serve as Advisor to the organization.
- B. Nominations for Advisor will take place within the Executive Board. An Advisor will be chosen within two weeks of a vacancy. The Executive Board will choose the Advisor by a majority vote and invite them to serve as Advisor for the next academic year.
- C. During officer elections, the organization will vote on whether to continue the Advisor appointment or not. The vote must be a majority of those voting in order to retain the Advisor for the next academic year.
- D. The duties of Advisor include meeting with organization officers, reviewing the yearly budget, signing all required paperwork, and advising on issues of risk management, organization leadership, and Georgia Tech policy.
- E. The Advisor can be removed for not carrying out the duties and expect-

tations as defined in this document. Any member can bring concerns to the Executive Board. The Executive Board will meet with the Advisor to discuss the concerns. After this meeting, the Executive Board will vote on whether to remove the Advisor. If there is a majority vote, then the Advisor will be removed.

- F. If an Advisor steps down, is removed, or is not re-appointed, the Executive Board will follow the process stated in Article VIII Section B.

Article IX - Dues

Dues shall be collected by the President, Vice President, Treasurer, and Project Managers. Late dues will be accepted at the discretion of the aforementioned officers. The Treasurer will set the due date for each semester's dues. The Treasurer may entitle delegates to collect dues if the demand requires it. Dues will be set according to our bylaws. Members over the summer semester must have paid for the previous or upcoming year.

Article X - Parliamentary Procedure

All officer/business meetings shall be governed by the procedure contained in Robert's Rules of Order.

Robert's Rules of Order will be used in instances not covered in this constitution.

Article XI - Constitutional Amendments

Written notification to all members must be made by mail or email, at least two (2) weeks in advance of any proposed change in the constitution. Amendments are subject to the approval by the Student Government and Student Activities Committee. The procedure for amending the constitution is as follows: The amendment will be read in a general meeting open to all club members. All club officers must be in attendance. Once the amendment is read to all members in attendance, an open discussion will ensue. The club president will moderate the discussion. Once all discussion is complete, the members in attendance will vote on whether to accept or deny the amendment.

Acceptance of any amendment to the constitution will require $\frac{2}{3}$ vote with quorum established. A quorum is established by greater than half of the voting membership.

Amendments are subject to the approval of the Student Government Association and the Student Activities Committee.
